Prompt: a cabin and a forest in watercolor style

The screenshot shows a user interface for generating images. At the top, there is a text input field containing the prompt: "a cabin and a forest in watercolor style". Below the input field are buttons for "Add modifiers" and "Negative", and a "My prompts" button with a pencil icon. A large orange vertical bar is positioned to the left of the input field.

Below the input field is a section titled "AI Models" with a "Show all models" link. It displays a grid of nine model cards:

- DaVinci2 (DaVinci2)
- Realismo (Realismo)
- Artflow (Artflow)
- Deep Style (Deep Style)
- Photonic (Photonic)
- Ideogram (NEW PRO Ideogram)
- FluX (PRO FluX)
- AI Vision (PRO AI Vision)

Below the models are buttons for "Start Image" (with a camera icon), "Effect – 60%" (with a paintbrush icon), and "Resolution" (with a camera icon). A preview image of a watercolor-style cabin in a forest is shown below these controls.
